

Summer 2025 Volunteer Information

We are excited that you are interested in joining us in serving the Lord through His camp ministry here at His Hill Ranch Camp. It is an incredible opportunity to share the good news of Jesus as Savior to hundreds of young people throughout the summer. The Lord makes it clear in His Word the importance of reaching out and showing love to children, and each year He faithfully provides summer staff from all over the world that share Christ's love for young people.

The purpose of this packet is to give you a better idea of what to expect in joining us as a volunteer for summer camp. While praying with you and for you about this decision, the information below might help you discern if this is where the Lord would have you for the summer. If you have any further questions, please don't hesitate to contact us. We would be happy to talk with you.

I. The Purpose of Camp

Our purpose at His Hill Ranch Camp is to provide a Christ-centered camp program, which integrates spiritual and personal development by emphasizing evangelism, discipleship, skill development, and a deep appreciation for Jesus Christ and a close relationship with Him.

II. General Information

1. Our focus at His Hill is our Lord and Savior, Jesus Christ. He will use you to minister to the campers, but you will find that He will also be ministering to you. The schedule is demanding for each position, but the Lord can and will provide the strength you need for whatever position He has you in.
2. Our summer begins with a two-week staff training. Staff training will begin Sunday, May 25th at 5:30 PM.
3. We have nine, one-week camp sessions. Camp dates are June 8 to August 8, 2025. The first session is scholarship camp, for children who wouldn't normally be able to afford to come to camp. The next eight weeks are overnight camps for campers ranging in age from 8-18 years old. Weekly sessions are divided by age group. The last two weeks of camp is our day camp, for children ages 6-10 years old.
4. Counselors have two chapel times and two cabin devotional times each day. Support Staff are required to attend three chapel sessions per week.
5. Although you may apply for the position of your preference, understand that we reserve the right to place you wherever needs arise. We ask our summer staff volunteers to have a willing attitude for whatever the Lord has in store for them.
6. Our camp program is an extension of our Bible School. If you've attended Bible School, camp is a unique experience in which the lessons and principles learned during Bible School can be applied. It is an opportunity to "finish" what you have started. (Note: Bible School is not a requirement to be on summer staff.)
7. Summer volunteer applicants are required to provide a background check from their country of origin. International staff will need to contact their local police department for information on obtaining this document.
